

Confirmation for Academic Licence (free of charge)

Thank you for ordering an academic LCA database from openLCA Nexus, for academic use.

According to the EULA of the database you ordered, you need to confirm the following:

- You are ordering the licence on behalf of an academic institution, and
- The licence will be used for academic purposes only, by students and staff registered at that institution.

Since you ordered a licence free of charge, you also need to confirm that the academic institution is in one of the following UN classified countries: (<https://www.un.org/development/desa/dpad/publication/world-economic-situation-and-prospects-2023/>)
